Skolemælk, læring og leg

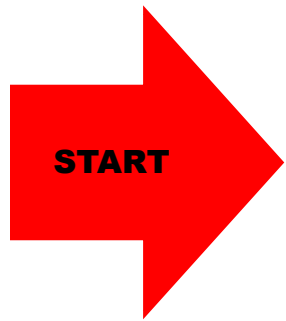

Her får du flere opgaver til at supplere din cd med Brug Låget.

Du kan også bruge andre låg en Arla's skolemælk – eller blot laminere og klippe brikkerne runde.

Læg brikkerne i en stor spand – sæt børnene i en rundkreds – lad dem arbejde parvis.

Lad dem selv hente brikkerne fra spanden – så vi får bevægelse ind i legen.
